

# 2006 Drives Catalog

## Effective January 2, 2006

### Introduction

Drive Selection Information	D-ii
Application Information	D-v
Glossary of Drives Terms	D-xviii

### AC Drives

<b>MD60</b> (1/4 - 5 HP)	
Description and Features	D-1
Dimensional Data	D-3
Drive Models and Prices	D-4
Options and Accessories	D-5
<b>MD65</b> (1/2 - 5)	
Description and Features	D-7
Dimensional Data	D-9
Drive Models and Prices	D-10
Options and Accessories	D-12
<b>SP500</b> (1/4 - 20 HP)	
Description and Features	D-17
Dimensional Data	D-18
Drive Models and Prices	D-19
Options and Accessories	D-20
<b>SP600</b> (1/2 - 200 HP)	
Description and Features	D-23
Dimensional Data	D-25
Drive Models and Prices	D-28
Options and Accessories	D-39
Modification Standard	D-42
<b>GV3000/SE</b> (1 - 2W00 HP)	
Description and Features	D-49
Service Conditions and Instruction Manual Listing	D-50
Drive Models and Prices	D-51
Options and Accessories	D-58
Recommended Motor Lead Lengths	D-70
Modification Standard	D-71
<b>GV6000</b> (1 - 200 HP)	
Description and Features	D-81
Terminal Assignments	D-84
Wall/Machine/Panel Mounting	D-87
Options and Accessories	D-90
Modification Standard	D-92
<b>LiquiFlo</b> (200 - 1000 HP)	
Description and Features	D-99
Ratings and Specifications	D-101
Dimensional Data	D-102
Prices, Kits and Instruction Manuals	D-103
<b>LiquiFlo 2.0</b>	
Description and Features	D-104
Dimensional Data	D-106
Ratings and Specifications	D-108
Prices and Instruction Manuals	D-109
Modification Standard	D-112

### Analog DC Drives

<b>DC2</b> (1/4 - 2 HP)	
Description and Features	D-115
Dimensional Data	D-118
Drive Model and Pricing	D-119
Modification Kits	D-119
<b>DC3</b> (1/4 - 2 HP)	
Description and Features	D-121
Drive Model and Pricing	D-124
<b>MinPak Plus</b> (1/4 - 5 HP)	
Description and Features	D-135
Dimensional Data	D-137
Drive Model and Pricing	D-137
<b>FlexPak</b> (1/4 - 7.5 HP)	
Description and Features	D-138
Dimensional Data	D-140
Drive Model and Pricing	D-140
<b>MinPak Plus &amp; FlexPak Plus Modification Kits</b>	D-142

### Digital DC Drives

<b>FlexPak 3000</b> (1-1/2 - 600 HP)	
Description and Features	D-147
Product Publications	D-151
Drive Selection & Pricing	D-152
Power Module Description and Features	D-160
Power Module Drive Selection & Pricing	D-162
Power Module Dimensional Data	D-163
Options and Accessories	D-164
Modification Standard	D-174

### Options & Accessories for DC Drives

<b>DC Drive Options</b>	
Altitude (Special)	D-183
E.S.P. Brush Monitor System	D-183
Speed Indicators	D-183
Potentiometers and Rheostats	D-183

### Accessories for AC & DC Drives

Standard Remote	D-185
Digital Displays	D-186
Line Reactors	D-187
Isolation Transformers	D-188

### Product Demonstrators

AC & DC Drive Products	D-193
------------------------	-------

### Local Drive Solution Centers

Local Drive Solution Centers	D-195
Drive Field Support Centers	D-196
