

TOUGH.

Reliance Electric SP500 Variable Speed AC PWM Drives

GET 'EM.

The flexibility and performance you need.
Trip-free. Quiet. Water tight. Dust tight.

The simplicity you want.
Compact. Low-cost. Easy to use.

The "Just Right" solution
for harsh processing environments.
Available in NEMA 1 and 4x/12 enclosures.
Power-matched with dependable Reliance® motors.

NOW THAT'S TOUGH.

Reliance Electric. Motors. Drives. Controls. Now more than ever.
